

Edgar MORIN

Edgar Morin (Edgar Nahoum) is a French philosopher and sociologist who has been internationally recognized for his work on complexity and "complex thought," and his scholarly contributions to such diverse fields as media studies, politics, sociology, visual anthropology, ecology, education, systems biology, and beyond. He holds degrees in history, economics, and law.

Though less well known in the United States due to the limited availability of English translations of his over 60 books, Morin is renowned in the French speaking world, Europe, and Latin America.

Edgar Morin has authored more 50 books that were translated in 28 languages and 40 countries.
