

Helena KNYAZEVA (1959, Moscow, Russia)

Academician, International Academy for Systems and Cybernetic Sciences (2016)
Professor, **National Research University Higher School of Economics**
(Russia, Europe)

Appointments:

- Academic Council, **Multiversidad Mundo Real Edgar Morin**, Hermosillo, México
<http://www.multiversidadreal.edu.mx/consejo-academico>
- **The Darwin Project**, Council Member
<http://www.davidloye.com/documents/revdp.pdf>

Board memberships:

- **Bertalanffy Center for the Study of Systems Science (BCSSS)**, Vienna
<http://www.bertalanffy.org>
- **Association of Complex Thinking**, France <http://www.intelligence-complexite.org/fr/qui-sommes-nous/lassociation-pour-la-pensee-complexe.html>
- **German Society of Complex Systems and Nonlinear Dynamics**
 - **Russian Philosophical Society**

Editorships:

- Exploring Unity through Diversity, Bertalanffy Center for the Study of Systems Science (BCSSS)
 - Ludus complexus: Revista Multiversitaria de complejidad
<http://luduscomplexus.org/directorio/comite-cientifico.html>
 - Praxema. Journal of Visual Semiotics (Tomsk, Russia)
<http://praxema.tspu.edu.ru/en/praxema-editorial-council.html>
 - The Complex Systems. Interdisciplinary Scientific Journal (Moscow, Russia)
<http://complexsystems.pro/1.2.html>

Fields of expertise and interest (achievements in research):

- Philosophy of Complexity (**General Methodology of Complex Systems Studies** – GMCSS)
- Synergetics (**Models of Self-organization and Blow-up Regimes** – MS&BR)
- Cognitive Complexity (**Models of Creative Thinking and Intuition** – MCS&I)
 - Theory of Innovations (**Dynamics of Innovative Development** – DID)
- Futures Studies (**Complexity Theory as Methodology of Futures Studies** – CT as MFF)

Publications: about 450 (10 monographs, 21 peer-reviewed journal articles)
