Current Appointments:

- **Director, Steinbeis Transfer Center New Cybernetics, Vienna**
- Senior Researcher, University of Ljubljana, Slovenia
- Trustee, American Society for Cybernetics

Board Memberships:

- **Journal of Systemics, Cybernetics and Informatics**, Editorial Board
<http://www.iiisci.org/journal/sci/EditBoard.asp?var>
- **Constructivist Foundations**, Board Member,
<http://www.univie.ac.at/constructivism/journal/board.html>

Editorships:

- **Complexity, Design, Society**, (editor), from 2005 to 2015 edition echoraum
<http://www.echoraum.at/edition/neuersch.htm>
- **Observing Social Science** | Sozialwissenschaften beobachten, since 2013,
<http://www.echoraum.at/edition/neuersch.htm>

Fields of Expertise and Interest

- Achievements in Research:
 - Second-Order Science
 - Second-Order Systems Science
- Second-Order Cybernetics and Epistemology of Second-Order Science
 - Socio-Economics
- Complexity Science, Innovation Research and Self-Organization
 - Complex Data Visualization
- Social Studies of Science and Science – Technology – Society

Publications

about 320 (15 monographs, 17 edited books, more than 100 journal articles)
