

Xinmin Yang, Ph.D.

**Ph.D., The Hong Kong Polytechnic University (2002)
Vice President (since 2003) and Professor (1993) Chongqing Normal University(CQNU)
Director (since 2009), Key Lab of Optimization and Cybernetic Sciences, Ministry of
Education,China. <http://kloc.cqnu.edu.cn>**

Key Research Contributions:

Multiobjective optimization, Vector optimization, Fuzzy sets systems, Decision making

Previous Academic Positions

1. Adjunct professor, Curtin University of Technology (Australia), 2008.4--2011.3;
2. Chinese Mathematical Society (CMS):Vice-President, 2012.1--2015.12
3. Senior research fellow, Department of Systems Engineering and Engineering Management, The Chinese University of Hong Kong, 1998.8--1999.2

Elected Offices in Professional Societies

- 1.Systems Engineering Society of China (SESC): Vice-President, 2010-present
- 2.Operations Research Society of China(ORSC): Vice President, 2008--present
- 3.China Society for Industrial and Applied Mathematics: Vice President, 2016--present
- 4.Adjunct professor, The University of British Columbia (Canada), 2015--present
- 5.Editor (Editor-in-Chief), Pacific Journal of Optimization, 2015 --present
- 6.Associate editor, Journal of Optimization Theory and Applications, 2015--present
- 7.Associate editor, System Engineering: Theory and Practice, 2010--present
- 8.Editorial member, Journal of Industrial and Management Optimization,2005--present
- 9.Editorial member, Journal of Systems Science and Information, 2013---present
- 10.Editorial member, Journal of Sys. Sci. & Math. Scis., 2013--present
- 11.Editorial member,Acta Mathematicae Applicatae Sinica,2012--present
- 12.Editorial member,Journal of the Operations Research Society of China, 2012--present

Honors and Awards

- 1.First Class Prize for Natural Sciences of Ministry of Education of P.R. China(2009)
- 2.First Class Prize for Natural Sciences of Chongqing (2006, 2013)
- 3.First Class Prize for Scientific and Technological Progress of Chongqing (1998)
- 4.National Outstanding Talent in Professional and Technical of China (2014)
- 5.National Excellent Science and Technolgy Worker of China (2012)
- 6.Science and Technology Award for Youth of China (2001)
- 7.National Outstanding Expert in Science and Technology of China (1996)

Publications

Co-Authors of 2 books, 122+referred SCI Journal papers
